Rotary Club Ostrava, established in 1929, was one of the first Rotary Clubs in Czechoslovakia. The Club activity, interrupted violently twice first by Nazis and then by Communists, was re-established in 1993. Today, as in the past, we continue to realise our projects following the principles of Rotary International supported by our voluntary contributions together with assistance of friends of the Rotary who share our vision of a better world. We encourage high ethical standards in all vocations, provide service to young people and those in need of our community.

Join us in celebrating the 20th anniversary of our Club re-establishment. We look forward to your visit!

Lukáš Ženatý  
President 2013/2014
